HSD Educational Technology

Student Survey

To all Students in Grades 5-12

You are invited to participate in the following student survey as part of a learning project that will help the school division analyze how effectively Hanover schools are using technology to enhance the student learning experience.

By participating in the survey you will be helping to provide student voice to the development of a technology-enhanced learning plan for your school. Please be assured that absolute confidentiality will be maintained in gathering and processing your responses.

The survey contains 16 questions and should take approximately 15-20 minutes to complete. Thank you in advance for your participation and feedback .

The survey site will accept student responses from March 27th through to the end of day on Thursday, April 9th, 2015. To begin taking the survey, please click the link below:
