

Chapter 7 Definitions
Grade 8 science

Light

Radiant Energy

Natural Light Source**

Artificial Light Source**

Incandescent Source**

Incandescence

Fluorescent Source

Phosphorescence**

Bioluminescence**

Chemiluminescence**

Transparent

Translucent

Opaque

Luminous

Non-luminous

Reflection

Incident Ray

Reflected Ray

Angle of Incidence

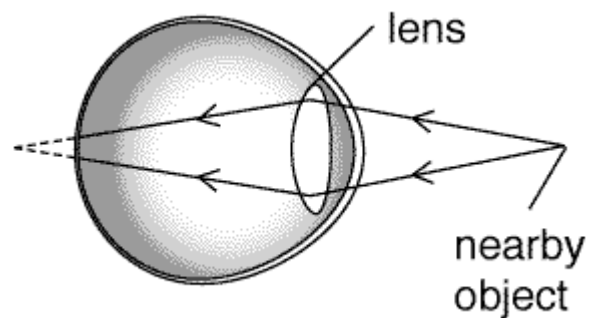

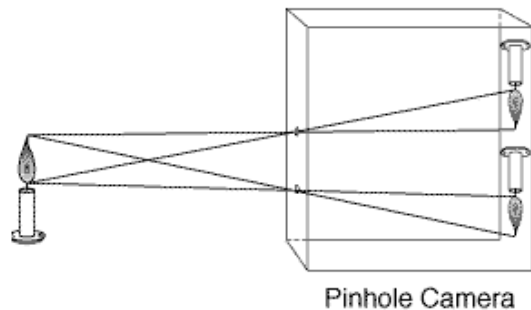

Angle of Reflection

Plane Mirror

Plane

Refraction

Angle of Refraction

**** : Use 3 point approach**
